REPORT

ON THE

Administration of Cochin

FOR THE YEAR 1052 *M. E.*—1876–77 *A. D.*

Judicial.

CIVIL JUSTICE.

THE details of the administration of this Government during the year 1052, under report, are succinctly given below:—

1. The Annual report of the Appeal Court of Cochin on the operations of the Law Courts of this State during the year under review contains the following particulars:

2. The subjoined table will shew the work performed by the Courts of original jurisdiction during the year as compared with that of the preceding year and the files of each Court at the commencement and close of the two years 1051 and 1052:—

YEARS.	COURTS.	Pending.	Filed.	Total.	Decided.	Remaining.
1051.	Anjikaimal Zillah Court....	108	418	526	390	136
	Trichoor Do.	161	192	353	195	158
	Ernacollum Munsiff Court...	364	2,043	2,407	2,008	399
	Irinjalacoda Do.	163	1,351	1,514	1,389	125
	Trichoor Do.	269	1,388	1,587	1,134	453
	Wadakancherry Do.	133	1,371	1,504	1,358	146
	Chittoor Do.	179	613	792	686	106
	Total...	1,377	7,306	8,683	7,160	1,523
1052.	Anjikaimal Zillah Court....	136	398	534	412	122
	Trichoor Do.	158	282	440	196	244
	Ernacollum Munsiff Court...	399	1,511	1,910	1,692	218
	Irinjalacoda Do.	125	1,176	1,301	1,137	164
	Trichoor Do.	453	1,596	2,049	1,578	471
	Wadakancherry Do.	[illegible]	1,600	1,746	1,569	177
	Chittoor Do.	106	825	931	858	73
	Cochin Do.	0	1,014	1,014	802	212
	Total...	1,523	8,402	9,925	8,244	1,681
	Increase in 1052...	146	1,096	1,242	1,084	158

3. From the above Statement it will be seen that the aggregate number of Original Suits pending at the beginning of the year and of those filed during the year amount to 9,925 or 1,242 more than in the previous year.

4. The number of cases decided is 8,244 or 1,084 cases more than in the previous year.

5. Of the 608 suits decided by the Zillah Courts 282 or 46·4 per cent. were contested, while of 7,636 decided by the Munsiffs' Courts 1,596 or 20·8 per cent. were contested.

6. The total number of decisions in contested cases in both the Zillah and Munsiffs Courts was, as shewn in the above para: 1,878. The particulars are given below:

In favor of Plaintiffs	1,082
In favor of Defendants	602
Partly in favor of both	194
Total...	1,878

7. The number of contested suits disposed of by each of the above Courts is as follows:—

Anjikaimal Zillah Court			199
Trichoor	do.	do.	83
Ernacollum Munsiff Court			416
Irinjalacoda	do.	do.	227
Trichoor	do.	do.	281
Wadakancherry		do.	330
Chittoor	do.	do.	139
Cochin	do.	do.	203
		Total...	1,878

8. The following Statement shews the number of Appeals decided by each Zillah Court during the year under report as compared with the results of the year 1051:—

Years.	Courts.	Pending.	Filed.	Total.	Decided.	Remaining.
1051	Anjikaimal Zillah Court....	6	133	139	135	4
	Trichoor Do. Do......	53	163	216	170	46
	Total...	59	296	355	305	50
1052	Anjikaimal Zillah Court....	4	152	156	120	36
	Trichoor Do. Do.....	46	194	240	174	66
	Total..	50	346	396	294	102
	Difference in 1052..	-9	- 50	+ 41	- 11	+ 52

9. From the above Statement it will be observed that there were 346 Appeals from the decisions of the Munsiffs to the Zillah Courts during the year, which added to 50 Appeals remaining undisposed of at the commencement of the year gives a total of 396 cases. Of these 102 were pending at the end of the year, and the remaining 294 cases were disposed of as follows:—

In favor of Appellants	66
In favor of Respondents..................	168
Modified	18
Remanded	13
Withdrawn or struck off	29
Total...	294

10. The Zillah Court of Trichoor has disposed of a larger number of Appeals than that of Anjikaimal, while in Original Suits the decisions of the latter Court far exceed those of the former.

11. The work performed by the Appeal Court during the year as compared with that of the preceding year is shewn hereunder:—

Years.	Courts.	Pending.	Filed.	Total.	Decided.	Remaining.
1051	Regular Appeals	185	111	296	163	133
	Special Do.	25	63	88	57	31
	Total...	210	174	384	220	164
1052	Regular Appeals	133	121	254	124	130
	Special Do.	31	44	75	68	7
	Total..	164	165	329	192	137
	Difference in 1052 ..	-46	-9	-55	-28	-27

12. The aggregate number of Regular and Special Appeals disposed of by the Appeal Court is 192 or 28 less than in the preceding year.

13. Of the 121 Regular Appeals filed during the year 87 were from the decisions passed by the Anjikaimal and 34 from those of the Trichoor Court, and as the contested cases disposed of by these Courts were 199 and 83 respectively, these appeals appear to be in the ratios of 44 and 41 per cent on such cases.

14. During the year the number of Regular Appeals disposed of was 124 leaving a balance of 130 at the end of the year.

15. The following shews the manner in which the above Appeals were decided:—

In favor of Appellants..................................	22
,, ,, of Respondents..............................	74
Partly in favor of both	20
Withdrawn, struck off, or otherwise disposed of.	6
Remanded	2
Total...	124

16. The number of Special Appeals entertained during the year was 44 and those pending at the beginning of the year 31. The total of these items amounts to 75, or 13 less than in the year 1051.

17. Of these, 68 cases, or 11 more than in the previous year, were disposed of, leaving a balance of 7 pending disposal in the current year. The nature of the decisions passed on the above 68 Special Appeals is shown below:—

For Special Appellants..................	17
For Do. Respondents...................	46
Partly in favor of both..................	1
Withdrawn, struck off, &c...............	3
Remanded	1
Total...	68

18. The average duration of contested cases in the several Courts, as compared with the preceding year, is shown in the following tabular statement:—

	1051		1052	
	Months	Days.	Months	Days.
APPEAL COURT.				
Regular and Special Appeals......	9	17	9	27
ZILLAH COURTS.				
Appeals...........................	3	14	3	3
Original Suits.....................	7	26	8	28
MUNSIFF COURTS.				
Original Suits.....................	4	1	3	17

19. From the above it will be seen that the average duration of cases in the Appeal Court was 10 days longer than the average of the preceding year. In the Zillah Courts the duration of Appeals was less by 11 days while that of Original Suits was greater by 1 month and 2 days. In the Munsiffs' Courts, the duration of Original Suits was shorter by 14 days than in the preceding year.

20. The number of decrees executed wholly or in part by the Zillah and Munsiffs' Courts was 3,084 or 567 more than in the previous year.

21. The decrees pending execution at the end of the year were 553 in the Zillah Courts, and 1,576 in the Munsiffs' Courts, making a total of 2,129, which is 19 less than in the preceding year.

22. The average value of Original Suits instituted in the Zillah and Munsiffs' Courts during the year was Rupees 273.

23. The Institution Fees collected in the Original and Appellate Courts during the year under review amonuted to Rs. 45,836, and the Stamp penalties to Rs. 21,285, making a total of Rs. 67,121, which is Rs. 9,203 more than the collections in 1051. This total does not include fines.

24. The Original Suits instituted in the various Courts may be classified as follows:—

1	For money on written or unwritten promises, on contracts, on account stated and for rent.	7,870
2	For personal property or value thereof	187
3	For damages, defamation and other injuries.	51
4	Suits relating to real property	206
5	Other suits	88
	Total...	8,402

CRIMINAL JUSTICE.

25. The number of cases committed to the Criminal Courts by the Police and the Magistracy during the year reported on was 77 against 89 in the year 1051.

26. Of the 182 persons involved in the above cases 81 or 44·5 per cent. were acquitted by the Criminal Courts whilst the acquittals in the previous year were 68.

27. Of the 77 committals, above referred to, 39 were to the Anjikaimal Criminal Court and 38 to that of Trichoor. Of these the former decided 36 and referred 3, while the latter disposed of 31 and referred 7.

28. The Appeal Court had thus 10 cases referred to it for its decision during the year, 3 were pending at the commencement of the year and one case was called up from the Criminal Court of Trichoor and tried by the Appeal Court itself. All these 14 cases were disposed of.

29. The number of persons committed to the Criminal Courts was 182, which is 111 less than that in the preceding year. Of these 81 were acquitted, 78 convicted, 16 were connected with referred cases and 7 were tried before the Appeal Court.

30. During the year under review there were in all 30 persons connected with referred cases. Of these 15 were acquitted and 15 convicted.

31. The nature of the punishments awarded by the Court will be seen from the following summary:—

Fine	11
Imprisonment	55
Fine and imprisonment	23
Fine, whipping and imprisonment	3
Capital punishment	1
Total	93

32. The average number of days during which a case lasted in the Criminal Courts was 4, which is 4 less than the duration in the previous year. In referred cases the time occupied by the Appeal Court averaged 26 days.

33. The number of persons who appealed against the decisions of the Criminal Courts in the year under review was 23. Of these the sentences passed on 11 were confirmed, and on 12 reversed.

Jails.

34. The aggregate number of Prisoners in the Jails at the commencement of the year was 165 and the number of admissions 234, making a total of 399—which is less by 47 than in the preceding year.

35. The Prisoners who were released by acquittal, expiry of sentence, payment of fines &c., numbered 185 and 2 died. Deducting the total of the above two items, namely 187, there remained at the end of the year under review 212 Prisoners, or 47 more than in the preceding year.

36. Of the 212 Prisoners remaining in the Jails, 3 were under trial, 21 were Civil Debtors, and the other 188 Prisoners were convicts whose terms of sentence are given below:—

Rigorous	imprisonment	for life	29
Do.	do.	for more than 7 years	60
Do.	do.	for more than 2 years	39
Do.	do.	for more than 6 months ..	29
Do.	do.	for not more than 6 months	20
Simple	imprisonment	for more than 6 months	1
Do.	do.	for not more than 6 months..	10
		Total..	188

37. The charges incurred for the maintenance of the Jails exclusive of the cost of the Medical Establishment and European Medicines, amounted to Rs. 20,860—8—2 as will be seen from the following abstract:—

Diet and clothing......	Rs.	9,790—13—1
Guards &c...............	„	2,826— 0—0
Repairs..................	„	8,243—11—1
Total Rupees...		20,860— 8—2

38. The total of the expenses incurred during the year is greater by Rs. 7,933—14—2 than that of the year preceding.

39. The annual Report of the Medical Officer to this Government on the two Jails is subjoined :—

"**Ernacollum Jail.**—Forty-one cases were treated during the year. The general health of the prisoners has been very good. No deaths have taken place in the Jail during the year."

"**Trichoor Jail.**—The number of admissions during the year was 140, the prevailing diseases being Ulcers, Ague, Boils and Diarrhœa. The general health of the prisoners was very good. Only two death occurred during the year."

Police.

40. The number of reported cases in the year under review was 2,666 and the number remaining at the end of the year preceding was 2, which added together give a total of 2,668. In connection with the former there were 3,965 persons, and with the latter 4, so that upon the whole there were 3,969 individuals implicated.

41. The aggregate number of cases in 1051 was only 2,345 and the number of offenders 4,479. Hence it will be found that heavier work had been entailed upon the Police during the year under review than in the preceding year.

42. Of the 2,668 cases belonging to the year reported on, 934 were summarily disposed of in consequence of the charges not being prosecuted, 850 were dismissed after

investigation for want of proof, and 321, which were of a trivial nature, were amicably settled. Of the 3,969 persons concerned, 2,843 were acquitted; whilst in the preceding year the number discharged was 3,535. Thus it will be seen that, although the number of the accused has been much smaller than it was in 1051, the number acquitted has been smaller in proportion.

43. Deducting those discharged there remained 1,126 offenders connected with 563 cases, of whom 899 were convicted and punished by the Police and Magistracy. The sentences awarded were as follow:—

Fine	737
Imprisonment	99
Whipping	14
Imprisonment and fine	8
Imprisonment and whipping	24
To find security	17
Total	899

44. The fines imposed on 159 culprits, and the imprisonment awarded against 54 others, were adjudged by the Magistracy in referred cases.

45. The number of cases committed to the Criminal Courts involving 176 individuals, was 73—whilst in the preceding year the number of cases thus committed was 89 and the persons concerned 221.

46. Seventeen cases were pending at the close of the year, the number of the accused being 51.

47. Under the head of grave offences, there were 5 cases of Murder committed from motives other than that of robbery; 16 persons were placed under arrest on the above charge, of whom 11 were acquitted and 5 committed

to the Criminal Courts. There were also 10 cases of culpable homicide, but of the 18 persons concerned in them, 15 were acquitted for want of proof and 3 committed to the Criminal Court.

48. Two persons were charged, in as many distinct cases, with attempting to commit suicide of whom 1 was acquitted, and the other committed to the Criminal Court.

49. As regards the particulars of other minor offences which do not call for any special notice, they are shown in the tabular statement which forms a portion of the Appendix.

50. The average duration of cases before the Police in the several Districts varied from 10 to 14 days.

Land Revenue.

51. During the year under report considerable portions of waste land having been brought into cultivation and the rice crops grown in the Trichoor Lake having been favorable there has been an increase of Rs. 1,556—11—0 in the Land Revenue.

In 1051	Rs.	6,27,791- 0-0
„ 1052	„	6,29,347-11 0
Increase	Rs.	1,556-11 0

Customs Revenue.

52. The amount realized under this head during the year under report was in excess of that in the previous year by Rs. 5,540—7—0 as shown in the margin.

In 1051	Rs.	1,04,015-14-9
„ 1052	„	1,09,556- 5-9
Increase	Rs.	5,540- 7-0

The Revenue is composed as follows:—

Amount paid by the British Government under the guarantee for the year ending 31st March 1877............... Rs.	1,09,162—1—3
Receipts at the Sirkar Ports for the same period .... Rs.	1,337-14—9
Total Rupees...	1,10,500—0—0
Receipts at the Sirkar Ports from the end of the official year to the close of 1052 M. E. .... Rs.	394—4—6
Total Rupees...	1,10,894—4—6
Deduct receipts at the Sirkar Ports from the 1st April to the 14th August 1876, or the end of the Malabar year 1051, which were carried to the account of that year .... Rs.	1,337-14—9
Customs Revenue Rupees...	1,09,556—5—9

53. The fees collected upon Licenses for the sale of Tobacco amounted to Rs. 9,800 against Rs. 9,830 in the previous year.

Abkarry and Opium.

54. The amount realized from the Abkarry Farm, was Rs. 63,669—2—3 which exceeds by Rs. 12,332—6—3, the sum for which it was sold in the previous year. This increase arose merely from competition.

In 1051	Rs.	51,336—12—0
„ 1052	„	63,669— 2—3
Increase	Rs.	12,332— 6—3

55. There has been a decrease of Rs. 300—0—1 in the Opium Farm as compared with the previous year, as shown in the margin.

In 1051	Rs.	7,359—2—4
„ 1052	„	7,059—2—3
Decrease	Rs.	300—0—1

Salt.

56. The amount of Revenue under this head for the year under report has slightly increased, as will appear from the figures given in the margin. This increase is however more apparent than real as it is more than covered by the proceeds of the sale of the property of a public servant who had embezzled Sirkar funds when formerly in charge of the Salt Depôt.

In 1051	Rs.	1,18,730—1—6
„ 1052	„	1,19,220-12—5
Increase	Rs.	490-10-11

57. The amount paid for the purchase of Salt during the year was in excess of that paid in the previous year by Rupees 1,956—5—6. In 1051 there having been a large quantity of Salt in store, no contract was entered into, but in the year under report 25,000 Maunds were purchased and hence the difference adverted to. In his review of the Administration Report for 1050 (1874–75) Mr. MacGregor, the Resident, expressed doubts that the enhanced price at which Salt was sold under the interportal convention had affected the sales of the article, and was inclined to the opinion that Cochin Salt, which had formerly found its way into parts of Coimbatore, was displaced by rail-borne salt from Madras; in other words,

In 1051	Rs.	6,316—1— 4
„ 1052	„	8,272—6—10
Increase	„	1,956—5— 6

that the larger quantities this Government sold in former years was owing to a considerable portion of it having been smuggled into British territory, and that the present sales were equal, or nearly so, to the normal consumption in this country.

58. The late Acting Resident MR. SULLIVAN, in reviewing the Administration Report for the year 1051 came to the conclusion "that the falling off in Cochin sales is in a great measure due to the loss of a market in Malabar resulting from the equalization of prices," and with reference to the different results experienced in Travancore under the interportal arrangements, he presumed "that the low priced Salt of Cochin found a readier sale in British territory previous to the convention than the comparatively costly article produced in Travancore."

59. That the steady decline in the Salt sales from an average of upwards of 2,00,000 Maunds prior to the convention to 48,485 Maunds, the quantity sold last year, can be mainly accounted for on any other hypothesis than a decreased consumption of Salt by the subjects of this State, will be disproved by the following figures.

60. The average consumption of Salt per head in the Madras Presidency is 16 lbs. At this rate Cochin, with a population of 6,01,114 souls according to the last Census, should sell 96,17,824 lbs. equal to 1,16,895 Maunds, realizing a revenue of Rs. 2,70,319—11—0, the price which ruled during the year under report being Rs. 2—5—0 per Maund.

61. Taking the average per head of the population at 18 lbs., the rate of consumption in Travancore, the

following results are obtained; the sale of 1,08,20,052 lbs. or 1,31,507 maunds, yielding a revenue of Rupees 2,74,109—15—0.

62. It must be admitted that irrespective of the diminished consumption already noticed, one cause of the falling off in the Salt sales was the unrestricted manufacture in Malabar of country Salt, a great part of which was smuggled into this country. This has been remedied by the recent Act, and better results may be expected for the future.

Registration of Deeds.

63. During the year 1052 the total number of documents presented in the six Registry Offices was 15,817, or 2,858 in excess of the number in the previous year, giving an average of 1,318 per month or 43 per day.

64. Of these four were Wills, 15,238 documents related to immoveable property, and 575 to moveable property. The comparatively small number of documents of the description last mentioned necessarily arises from registration not having been rendered compulsory in these cases.

65. The aggregate value of all the documents registered during the year was Rs. 53,80,976—1—4, the average value of each being Rs. 340—3—2.

66. The following statement shows the number of documents presented for Registration, their values ranging from Rs. 50 to Rs. 1,50,000, as well as the number of Deeds which did not specify the amount:—

Value.	No. of documents registered.
Not exceeding 50 Rupees. ...	4,430
Above 50 and not exceeding 100 Rupees...	2,568
Do. 100 Do. 500 " ...	6,146
Do. 500 Do. 1,000 " ...	1,415
Do. 1,000 Do. 5,000 " ...	1,031
Do. 5,000 Do. 10,000 " ...	71
Do. 10,000 Do. 20,000 " ...	12
Do. 20,000 Do. 30,000 " ...	1
Do. 30,000 Do. 50,000 " ...	0
Do. 50,000 Do. 100,000 " ...	0
Do. 100,000 Do. 150,000 " ...	1
Documents whose values were not inserted ...	142
Total...	15,817

67. It will be observed from the above statement that the greatest number of documents registered were from Rs. 100 to Rs. 500 in value and the smallest number above Rs. 20,000. These results are nearly similar to those indicated in the last report.

68. One hundred and sixty documents were registered under penalties, according to Sections 15 and 22 of the Registration Rules; which shews an increase of 53 above the number in the last year.

69. The registrations effected by the District Registrars at private residences were 210 against 156 in 1051.

70. Only 83 documents have been refused to be registered, which form a very small number compared with the total admitted to registration.

71. The applications received at the District Registry Offices for copies of documents and for making

searches, amounted in all to 197, which shows an increase of 105 over the number given in the last Report.

72. At the close of the year 1051 there remained 936 documents unregistered. These, together with the 15,817 tendered for registration during the year under review, make a total of 16,753. Of these, 15,028 were registered and returned, leaving a balance of 1,725 documents to be entered in the Books during the current year. Thus, an average of nearly 41 documents appear to have been daily entered and returned in all the 6 District Offices.

73. The number of documents registered in each office and the amount of fees, &c., collected during the year under report will be seen from the following table:—

OFFICES.	Documents.	Fees.		
		Rs.	As.	P.
Cochin District Office......	2,738	4,472	15	0
Kanayanoor Do......	2,909	4,258	5	0
Moogoondapuram Do.....	3,355	4,676	7	6
Trichoor Do....	2,412	3,436	4	0
Talapilly Do.....	3,295	4,832	9	0
Chittoor Do....	1,108	2,378	5	6
Total..	15,817	24,054	14	0

74. From the above it will be observed that the Offices at Moogoondapuram and Talapilly registered a larger number of documents than the others and that the lowest number registered was at Chittoor.

75. Classifying the Offices according to the property value represented by the Deeds registered by them, Talapilly stands first, Cochin second and Chittoor next:—

Offices.	Value.		
	Rupees.	A.	P.
Cochin........................	9,73,124	15	4
Kanayanoor........................	8,14,967	13	5
Moogoondapuram................	8,33,957	8	3
Trichoor........................	8,20,352	0	7
Talapilly........................	9,88,192	14	8
Chittoor........................	9,50,380	13	1

76. The expenses of the Department for the year 1052 have been as follows :—

SALARIES.

Huzoor Head Office............... Rs. 3,112—0—0
District Registry Offices.......... „ 5,784—0—0

Total Rupees... 8,896—0—0

CONTINGENCIES.

Sationery and charges for binding books........ Rs. 873—7—4

Total... 9,769—7—4

77. Deducting the disbursements from the receipts of the year there remained a surplus of Rs. 14,285—7—4 against Rs. 11,824—12—0 realized in the year preceding.

78. Twenty-eight special and 89 general Powers of Attorney were attested by the Registrars during the year; and 12 copies of registered Deeds were forwarded to other District Offices under Section 53 of the Rules, in consequence of the property concerned lying in more than one jurisdiction.

Education.

79. The principal educational establishments in the State will be referred to in the order of their importance.

80. **High School.**—Towards the close of the year 1051, a preparatory F. A. Class was formed, and at the commencement of the year under report the School comprised three main divisions viz:

1. The College Division consisting of the F. A. Class with 12, and a preparatory F. A. Class with 10 boys.
2. The Upper School of seven classes with 158 boys.
3. The Lower School of five classes with 117 boys.

81. By the end of 1876 the F. A. Class was reduced to 9 boys, 2 having left and 1 removed to class VII. All these 9 students went up for the F. A. Examination, and although this was the first time that boys from the High School appeared for this Test, the result was at least encouraging. Four passed, one in class I., and three in class II. Their names are:—

In class I.

C. M. Mathaven Pillay .... No. 33

In class II.

C. S. Mahalingam Iyer .... No. 10
K. Krishna Menon .... „ 29
S. Rama Narayana Iyer .... „ 43

82. At the beginning of the year there were 22 boys in the Matriculation Class, but two having left, the remaining 20 presented themselves for the examination in December 1876, all of whom were successful, seven being

placed in the First Class and one, the head boy of the School, being also first in the Presidency. This result is most gratifying not only from the number that succeeded but more especially from the excellent position the boys have attained.

83. The following are the names of the successful Matriculates of the season:—

In class I.

Shangara Narayana Iyen	No.	1
P. Subbramaniya Iyen	"	6
V. K. Kochunni Menon Thillanayakam Pillay	"	35
S. Ganapathy Iyen	"	45

N. Anandtha Narayana Iyen	"	1056

84. During the year there were 86 new admissions to the School and 12 re-admissions; while 91 boys were removed, showing an increase on the whole of seven boys. At the commencement of the year under report there were 297 boys on the Roll, and at its close 304. The number at the end of the year, from the principal castes of the

country, alphebetically arranged, is given below, with the numbers for the two preceding years, for convenience of comparison:—

Castes.	1050	1051	1052
Brahmins	65	75	78
Elayathus	1	1	1
Elevans	2	0	0
Jews	0	1	1

Syrians	3	7	7
Vellalars	3	2	0
Warriars	6	5	4
	250	297	304

85. The average daily attendance during the year under review was 261 or 87 per cent., on the average number enrolled. The average age of the boys in the whole School at the end of the year was 15·6 nearly.

86. Four scholarships for B. A. graduates or for Matriculated men were placed at the disposal of Mr. Sealy by the Principal of the Madras Normal School. The amounts of these Scholarships having been supplemented by a grant from the school funds to enable the students to maintain themselves at Madras, one graduate and three matriculates were sent for training to the Normal School.

87. The receipts and expenditure of the School are shown in the subjoined table:

RECEIPTS.	Rs.	A.	P	EXPENDITURE.	Rs.	A.	P.

88. The returns by sale of books &c., appear to be small, as the operations of the Book Depôt are not included in the above account. The expenditure of Rs. 1,934 on books, stationery, &c., has been swelled by purchases made on behalf of the Depôt, and which were repaid in 1053.

89. The increased utility of the Book Depôt will be seen by a comparison of the transactions of the last two years:—

		Vols:	*Value.*		*Vols:*

Do.	1052	4,203	„ 1,505	Do. „ 1052	4,049

90. The District Schools were placed under the charge of MR. SEALY, the Head Master of the High School, towards the close of the year 1051, and he was designated Director of Education. The few months for which the supervision rested upon him in that year did not afford opportunities for thorough inspection and report as to the condition and requirements of these Schools. During the year under report the District Schools have been systematically inspected and a full report furnished by that Officer. It was naturally to be expected that there were considerable

imperfections in the situation of the schools at that period, but a good deal has since been done to provide remedies for defects and to establish suitable standards for the different classes.

91. In the appendix will be found a tabular statement showing the numbers of the students in all the Schools of this State, distinguished according to races or nationalities; and a second statement conveying the same information for the two consecutive years 1051 and 1052 M. E. in order to facilitate comparison.

92. The progress of the District Schools during the period they have been under the present organisation will be seen from the following figures. The daily attendance at Trichoor rose from 60 to 83; at Mattancherry from 57 to 60; at Chittoor from 33 to 46; at Irinjalacoda from 38 to 42; and at Wadakancherry from 17 to 18.

93. There appears to have been a considerable increase in the numbers and a corresponding improvement in the average daily attendance. There is also necessarily an augmentation in the amount realised from fees and fines.

94. In some of the Anglo-Vernacular Schools, the teaching of the Vernacular language of the District does not appear to have been sufficiently insisted on, and in accordance with the suggestions of the Director of Education, arrangements have been sanctioned for giving more efficient instruction in this branch of study.

95. Many other changes have been initiated which it is hoped, will be attended with very satisfactory results in the future.

Public Works.

96. The large sum of Rs. 3,02,243—10—4 was expended during the year 1052 on Public Works, showing an increase when compared with the expenditure of 1051 of Rs. 70,762—2—1. The Public Works Department has shown greater activity and zeal under the present energetic and able Chief Engineer Mr. H. W. Hudson, an abstract of whose report is given below.

In 1051	Rs.	2,31,481- 8-3
„ 1052	„	3,02,243-10-4
Increase	Rs.	70,762- 2-1

97. The allotment for Public Works for the year 1052 was two and a half lakhs of Rupees.

98. The expenditure through the agency of the P. W. Department amounted to Rs. 2,51,010—6—1, a much larger sum than was expended by it in any previous year, as will be seen from the figures noted in the margin.

99. The principal Works commenced, executed or in progress in the three Divisions, during the year under report, are hereunder detailed :—

Western Division.

(1.) Roads and Communications :—The outright repair of the following roads was completed early in the year :—

1. Shoranore Road.
2. Tritalla Road.
3. Vatlicavoo Road from the junction of the Shoranore Road to the British Boundary on the West.
4. Patticaud Road, 1st to 9th mile.

(2.) Good progress was made in the repair of the remaining roads (including the Bridges and Culverts) sanctioned in the Budget for 1052 viz:—

1. Kunnumkolum Road from Trichoor to Kunnumkolum.
2. Karoopadnah Road from Trichoor to Karoopadnah.
3. Canimungalom Road from Trichoor to Ooragam.
4. Shalacoody Road from Eddakoonny to Trav: Boundary.
5. Vaniampara Road from 9th to 12th mile.
6. Do. do. from the Shoriar River to British Boundary towards Palghaut.

(3.) The Shoranoor Road, notwithstanding the heavy grain traffic over it, was maintained throughout the year, in good order. This road will now compare favorably with any first class road in British Territory.

(4.) The Chenancherra Bridge was completed during the year under report.

(5.) Buildings:—The following Buildings were completed during the year:—

1. Alterations and additions to the Trichoor Palace.
2. New Western Entrance and widening the Bridge over the Fort ditch at Ditto.
3. New School at Irinjalacoda.
4. New Bungalow for the Superintendent of the Pallapilly Teak Plantations.
5. Pulling down and re-building the upper floor of the Kunnumkolum Salt Godown.

(6.) The New Public Offices at Trichoor, were roofed in before the commencement of the monsoon. They will probably be completed and ready for occupation by the 1st January 1878.

(7.) The Travellers' Bungalows at the following places were repaired during the year:—

1. Shoranoor.
2. Kunnumkolum.
3. Patticaud.
4. Caravanoor.
5. Karoopadnah.

Eastern Division.

(8.) The outright repairs of the following roads (including the Bridges and Culverts) were completed:—

1. Nadapoony Road.
2. Mungilmuddah Road.
3. Valam Tavalum Road.
4. Nemary Road.

(9.) The Earthwork of the new road, leading from the Nadapoony road to the Erichampathy Village, was completed at the close of the year, and the repair of the Vithuacherry road has also made good progress.

(10.) The Foot Bridge on the Nemary road, at the commencement of the Nelliampathy Ghaut, was nearly completed at the end of the year under report.

(11.) The New Public Offices at Chittoor were roofed in, before the commencement of the Monsoon; as they are nearly completed, they will probably be ready for occupation early in 1053.

(12.) The Travellers' Bungalows at Kolinjampara and Tattamungalom have been repaired.

Southern Division.

(13.) At the close of the year 1051, the following works were in progress:—

1. Muttancherry Road Division.
2. Eddapully Road.
3. Permanoor Road.
4. Ernacollum Backwater Reclamation.

(14.) Of these the Muttancherry Road Division and the Permanoor Road have been completed. The Eddapully Road work was suspended on account of certain objections raised by the Travancore Government. It having been recommenced only about a month before the close of the year 1052, much progress cannot here be reported. The work of the Ernacollum backwater reclamation was greatly retarded by scarcity of labor and the frequent highwinds experienced at the beginning and close of the year. Notwithstanding these impediments considerable progress has been made. A Hand Dredger will, it is hoped, in a great measure facilitate the filling in of the embankments and the deepening of the Basins. The Sirkar has, with this view, made arrangements for procuring a Dredger of this kind.

(15). During the year the following new works were commenced:—

1. The Zillah Court House Boundary Wall.
2. New Jail.
3. Poothenthode Revetment.
4. Muttancherry Reclamation Works, as a site for the New School.
5. Ernacollum Travellers' Bungalow.
6. Four Foot Bridges.
7. Pan nacootty Girder Bridge on screw piles.
8. Narrakal Pier.
9. Narrakal Improvements.

(16.) Of these, the Zillah Court House Boundary Wall, Poothenthode Rivetment, Travellers' Bungalow and the Foot Bridges were completed.

(17.) The materials for the abutments of the Panancootty Girder Bridge were collected at the site of the work and awaiting the arrival of the Iron work ordered from England and which is on the way out.

(18.) The Narrkal Pier was not included in the year's budget, but being an emergent work and intended for the convenience of the shipping, it was undertaken. The Pier has been extended 350 feet, but the work was not commenced until late in the season, it was with considerable difficulty that this was effected, in consequence of the deep mud bank and other drawbacks which had to be encountered.

(19.) Of the Narrakal Improvements, the basin was extended 100 feet towards the North, one of the new sheds erected and a portion of the Tramway laid. This work was also undertaken late in the year and it had to be stopped, so as not to interfere with mercantile operations during the shipping season.

(20.) The Ernacollum Jail work has made creditable progress. The Boundary wall has been raised to a height of 4½ feet all round; six of the Wards have been raised to the height of the doors; and a large portion of the woodwork of the roofing has also been completed.

(21.) The maintenance grant during the year under report, extended to the same number of roads and canals as in 1051, but in a few cases it was found necessary to reduce the allowance previously sanctioned.

100. The annexed Statement exhibits the sums expended on the several works during the year under review :—

101. The above list includes certain works executed through the Tahsildars at an expenditure of more than 51,000 Rupees.

Forests.

102. No changes of any importance have taken place in this Department, during the year under report.

103. The following statement shows the number of Teak and Blackwood Logs and Taldoms received at the Ernacollum and Ponany Timber Depôts during the year as compared with the preceding year:—

In 1051	Logs	1,776,	measuring	Candies	3,260
„ 1052	„	979,	„	„	$1,870\frac{1}{16}$
Decrease	„	797,	„	„	$1,389\frac{15}{16}$

104. The number of Logs sold during the year was 840 and the amount realized Rs. 17,431-9-0. The decrease of Rs. 39,383—12—9, shown in the margin, is owing to a much smaller quantity of Timber having been received in 1052 than in the preceding year and to the comparatively diminished sale of the article. The value of Timber supplied to the Public Works' Department was Rupees 4,246—7—3 making the total income obtained from the two depôts Rs. 21,678—0—3.

In 1051	Rs.	56,815—5—9
„ 1052	„	17,431—9—0
Decrease..		39,383-12—9

105. The royalties derived from jungle-wood, bamboos, &c., amounted to Rs. 14,170—11—3, and the sale of Cardamoms, Bees-wax and other Forest produces realized Rs. 4,739—2—0. The tax collected on fuel was Rs. 1,265.

106. The total revenue derived through the medium of the Forest Establishment was:

In 1051	Rs.	81,885—12— 0
„ 1052	„	41,852—13— 6
Decrease	Rs.	40,032—14— 6

107. The amount paid by the contractor of the Chittoor Forest was Rs. 14,090, which is in excess by Rs. 3,075—7—9, of that paid in 1051, owing to his having removed a larger quantity of Timber during the year under review.

108. The Hill Expenses were less by Rs. 530–3–10, and the cost of Establishment greater by Rs. 798—0—1, than in the previous year, showing a net increase of Rs. 267—12—3. The cause of the increase in the Establishment is owing to the employment of additional officers in the Cardamom and other branches of the Forest Department.

109. According to the Conservator's report, 27,700 Teak Saplings were pruned at Codasherry and 10,010 at Mapranom, during the year at a cost of Rs. 322—2—10, and that the process has been very beneficial to the growth of the Plants. In the Teak plantations at Pallapilly 397 acres of land were weeded, 102 planted and 135 pruned.

110. Four Elephants were captured during the year, three males and one female.

Medical.

111. The following details regarding the Medical Department of this Sirkar have been furnished by Dr. Doyle, the Officer in charge:—

Civil Hospital Ernacollum:— "During the year under review 214 cases were treated as intern and 3,423 as extern patients, against 194 and 3,514 cases respectively in the year 1051 showing an increase of 20 intern and a decrease of 91 extern patients.

"Of the 214 patients treated in the Hospital 170 were maintained at the expense of the Government, and the remaining 44 dieted themselves.

"The prevailing diseases treated in the Hospital were dropsy, syphilis, and ulcers; and the out-door patients suffered chiefly from worms, diarrhœa, dropsy, dyspepsia and ague.

"Cholera existed in an epidemic form, during the latter half of the year. In Ernacollum 17 cases were brought to hospital of which 12 proved fatal. Most of these cases, however, were only brought under treatment after the patients had lost all chances of recovery.

"Among the out-patients thirty-four deaths occurred of which 12 were due to Cholera. Proper precautions have been taken, in respect to sanitation, to prevent the spread of the epidemic.

"Fifteen deaths occurred among the intern patients during the year viz: from diarrhœa 2, anasarca 1, cancer 2, phthisis pulmonalis 1, tetanus 1, pneumonia 1, ascites 1, partus 2, ulcers 2, and vulnus laceratum 2."

Civil Hospital Trichoor:—"The number of admissions to the hospital during the year was 137, of which the greatest part came under the heads of ulcers, ague and anæmia. Out of these 10 died.

"The out-patients during the year under report numbered 2,003, the prevailing diseases being ulcers, ague, worms, diarrhœa, dysentery, ophthalmia and anæmia."

Vaccination:—"The number of persons vaccinated during the year throughout the Cochin territory, was 12,015 of which 10,545 cases proved successful, while the remaining 1,470 were considered unsuccessful."

Ports.

112. The number of Vessels of all descriptions which arrived at the Ports of Mallipoorom and Narrakal during the year was 69.

113. The total amount of Port dues collected was Rs. 5,396—10—0, which exceeded the receipts of the preceding year by Rs. 2,307—3—0.

114. The aggregate tonnage of the vessels which called at the above Ports was 53,118·4 against 40,511·58 tons in the previous year.

115. The capabilities of the Port of Narrakal were remarkably conspicuous during the recent famine, large cargoes of rice having been uninterruptedly and safely landed there throughout the monsoons of 1876 and 1877 when all other Ports on the coast were closed.

Postal Department.

116. The following Return exhibits the working of the Sirkar Postal Department for three consecutive years:

		1050.	1051.	1052.
Public Service.	Letters	42,975	45,651	45,260

117. From the above statement it will be observed that the number of communications, both private and official, has been steadily increasing.

118. The amount of postage collected during the year was Rs. 792—1—10. The cost of the permanent establishment is the same as in the previous year, viz: Rs. 2,928.

Military.

119. During the year under report no change has taken place in the constitution of the Military Establish-

ment of this Government. The annexed statement shows the strength and other particulars :—

127. The variations in the chief sources of revenue having already been explained under their proper heads, it only remains to notice the difference in the Disbursements.

128. In Palace Expenditure there was an increase of Rs. 2,141—10—8. This was owing to the allowance settled upon the 9th Prince having been paid for only four months in the latter part of the previous year, while it was disbursed for the whole of the year under report.

129. The expense on account of Religious and Charitable Institutions was also greater than in the year preceding by Rs. 6,769—14—0, and Rs. 8,068—8—9 respectively. This is due to the high prices paid for provisions in consequence of the scarcity which prevailed over Southern India and was partially experienced in these parts.

130. In the Administrative Establishment there was an increase of Rs. 4,217—4—4, which was owing to an enhanced scale of salaries having been accorded by His Highness the Rajah to the Tahsildars, and some other officers in this branch of the service.

131. The cost of the Judicial Establishment was larger by Rs. 3,738—11—6 than in the year 1051. This increase was caused by the opening of a new Munsiff's Court in the Cochin District and the appointment during the latter part of the year under report of a 2nd Judge to the Anjikaimal Zillah Court.

132. The increase of Rs. 2,695—10—8 in the Education Department is due to the allowances of the Director

of Education, an office created in 1051, having been drawn for only five months in that year, whereas it was paid during the entire year under review.

133. The cost of the Police Establishment remains unaltered. The Military charges show a small increase of Rs. 357—10—9 caused by enhanced rates of pay having been granted to the Troopers of His Highness' Body Guard and the Subadar, as well as an extra daily allowance during the recent period of scarcity.

134. There is a decrease in the item of Pensions of Rs. 547—11—5 which is accounted for by some of the pensions granted to old officers having lapsed.

135 The amount expended on Public Works during the year exceeded the outlay in the previous year by Rs. 70,762—2—1; a result which is attributable to the great number of important works undertaken and completed during the year through the energetic exertions of the present Chief Engineer, as already noticed in para: 96.

136. The Miscellaneous expenses were less by Rs. 25,537—12—6 than in the previous year. His Highness' visit to Madras to meet His Royal Highness the Prince of Wales, and other circumstances under which the expenses under this head were incurred in 1051 not being present in the year under report, a necessary diminution in the charges has taken place.

137. The total revenue of the year under review shows an increase as compared with the previous year of Rs. 8,825—12—5. The total Disbursements are in excess of those of the previous year by Rs. 67,053—1—6.

138. At the commencement of the year 1052 there was a cash balance in the Treasury of Rs. 5,14,817-13-10, but the disbursements of the year being greater by Rs. 13,716—8—11 than the aggregate amount of Revenue, the cash balance was reduced to Rs. 5,01,101—4—11. Of this sum Rs. 2,00,000 were invested in Government Securities while the commission charges incurred amounted to Rs. 5,612—15—4. Hence the balance at the close of the year was Rs. 2,95,488—5—7.

139. The total amount remaining to the credit of the Sirkar at the close of the year under report was Rs. 28,48,591 — 3 — 6 as noted in the margin.

Cash balance............	Rs.	2,95,488—5—7
Government Securities	„	24,00,500—0—0
Value of Stock.........	„	1,52,602-13-11
Total	Rs.	28,48,591—3—6
